COLLEGE OF HEALTH

The management of your program and health data required for your clinical experiences will be done using Exxat APPROVE. There is an annual fee of \$36 (to be paid by each student). Exxat is built to collect and share HIPAA and FERPA protected information. Documentation that is uploaded to your Exxat profile will be verified by the Exxat team of medical professionals. Each student is responsible for maintaining compliance with all program requirements. Your profile must remain current for the duration of the program. Both scheduled and random audits will be performed to ensure compliance. You must adhere to all deadlines related to the submission of verifiable documentation to be eligible for placement into your nursing classes.

Criminal records check must be uploaded to Exxat by the student and must state no convictions on file for this applicant. If convictions are on file, must be reviewed by SON designee.

Exxat invite will be sent to students to begin clearances. For Graduate Nursing students, this invite will be sent the Monday before the first term starts. **The deadline to submit requirements is 12 weeks after the invitation is sent.** Students should be advised that Exxat can take 14 days to review submissions, and should, therefore, not wait until the last minute to submit requirements. NONCRIMINAL JUSTICE APPLICANT'S RIGHTS

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for a job or license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be notified by the requesting agency that your fingerprints will be used to check the criminal history records of the FBI.
- If you have a criminal history record, the officials making a determination of your suitability for the job, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or updating of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the job, license, or other benefit based on information in the criminal history record.¹

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.²

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/compact-council/guiding-principles-noncriminal-justice-applicants-privacy-rights>.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)

If you need additional information or assistance, please contact the Identification Quality Assurance Unit at 740-845-2113 or NationalWebcheck@ohioattorneygeneral.gov.
