**\*NUR 887 is taken to earn clinical hours not transferred from the student's MSN degree program. 1000 clinical hours are required to complete the DNP degree. Clinical hours included in the HSNL degree path are 540. The remainder of the required clinical hours are completed by taking NUR 887 or transferring in up to 500 verified clinical hours from the student's MSN degree program.**

*If you are unable to complete the recommended courses when they are offered, you will delay the completion of your degree, as the courses are only offered during specific semesters. Details regarding this are included on the course completion check list on the reverse of this page. Any deviations must be discussed with and approved by your faculty advisor. Also note that course offerings are dependent upon meeting minimum enrollment requirements.*
